

The Hidden Jewish Hand

Behind the Muslim Invasion of the Western Christian Nations

by Steve Barwick

Current Events 2016

Very few Christians grasp the fact that there's a hidden Jewish hand behind today's mass Muslim immigration into the western Christian nations. Nor do they grasp the fact that this hidden hand constitutes surreptitious Jewish support (and direction) of the Islamic program of conquest known as *Hijrah* – i.e., Muslim subjugation of foreign lands *through immigration*, as instructed by the Islamic prophet Muhammad in the Koran.

In this study, you'll discover little-known documentation of the long historical alliance between Jews and Muslims when it comes to *conquering Christian cultures*. You'll learn how the false Jews are aiding, abetting and *directing* mass Muslim immigration into the western Christian nations as a means of fracturing, diluting and ultimately destroying our foundational Christian culture. And finally, you'll learn the clear Biblical answer to this ongoing invasion of the western Christian nations at the hands of radical Islam and its hidden Jewish overseers.

In a 2015 [video](#) titled “Muslims and Jews Are Natural Allies in Europe,” we see Rabbi Pinchas Goldschmidt, who just happens to be the president of the 700 member Conference of European Rabbis, stating:

“We [Jews] see ourselves fighting together with our Muslim brothers who want a free Europe, who want a peaceful Europe, who want to integrate like our [Jewish] forefathers integrated in Western Europe 120 years ago. And they [i.e., Muslims] are our natural allies.”

-- Rabbi Pinchas Goldschmidt, president of the Conference of European Rabbis

This quote, which you can hear for yourself in the above-linked video, was preceded by a statement from the Rabbi that Western Europe is now considered to be a “secular, post-Christian Europe.”

In other words, the false Jews now *revel* in the fact that Christianity has largely been defeated throughout Western Europe, and that this defeat has been accomplished through unfettered mass immigration of both Jews and Muslims.

Rabbi Pinchas openly and publicly refers to the Muslims as the “natural allies” of the Jews and as the “Muslim brothers” of the Jews. Of course, this viewpoint is completely alien to most western Christians. We’re constantly led to believe that Muslims and Jews hate each other with an unquenchable historical hatred that goes back so far it can never be reversed.

We’re also constantly admonished, even from the Christian pulpits, that while extremist Muslims are our deadly enemies, the Jews are our “greatest allies.” But how true is all of this?

Another Rabbi Steps Forward

As another [example](#) of staunch Jewish support for the Muslim invasion of Western Europe, in 2012 Rabbi Baruch Efrati, leader of a movement of Israeli Orthodox rabbis calling itself the Derech Emunah (“Way of the Torah”), and frequent [OpEd writer](#) for IsraelNationalNew.com, publicly praised the Islamization of Europe, stating:

“Europe is losing its identity in favor of another people and another religion, and there will be no remnants and survivors from the impurity of Christianity, which shed a lot of blood it won’t be able to atone for.”

Indeed, according to a [news report](#) published in the Israel newspaper Ynetnews.com, Rabbi Baruch Efrati also stated that he believes all Jews should “*rejoice at the fact that Europe is paying for what it did to us for hundreds of years by losing its identity.*”

He then praised Islam for promoting modesty and respect for God, in contrast with Christianity which he characterized as having neither.

Rabbi Efrati went on to say that because of mass Muslim immigration into Europe, “*With the help of God, the gentiles there will adopt a healthier life with a lot of modesty and integrity, and not like the hypocritical Christianity which appears pure but is fundamentally corrupt.*”

In other words, according to this Rabbi, the Islamic rabble now streaming into Western Europe from their Third World hell holes, and seeking to convert Europe into another Third World hell hole like the ones they left, are actually a *good* thing that will eventually neutralize Christian “corruption” and “impurity,” and replace it with the “modesty and integrity” of the religion of Islam.

Rabbi Efrati further stated that for ethical and theological reasons the Islamization of Europe is much better for Jews than is a largely Christian Europe.

He states that the Islamization of Europe is happening for two reasons: First, as a punishment against Christians for persecuting the Jews, and secondly, because unlike Islam, Christianity is considered to be a form of “idolatry” from a *halachic* point of view, meaning Jewish law condemns Christianity as an idolatrous and blasphemous practice. Indeed, so does Islamic law. (More on that in just a moment.)

According to the same Ynetnews.com report, the Rabbi further stated that:

“Even if we [Jews] are in a major war with the region's Arabs over the Land of Israel, Islam is still much better as a gentile culture than Christianity.”

In short, Orthodox religious Jews -- who the western Christian nations are supposed to be allied with -- are in reality allying themselves behind-the-scenes with the radical Muslim “immigrants” on the basis that they’d rather live in tandem with Muslims than with Christians.

And these Jews are rooting amongst themselves for the downfall of western Christianity being accomplished through the process of mass Muslim immigration into the west (which Jews in high positions of power throughout the west enforce through legislation, bureaucratic regulation and court rulings) and the concurrent promotion of the religion of Islam in the west (which the Jews enforce through political correctness).

By the way, quite interestingly, Rabbi Efrati has also [stated](#) that Jewish travelers in Europe who want to pray while waiting in airports could use the airport *mosque* to pray if there are no better options.

The rabbi stated, "*Some airports in Europe and Asia have mosques, and they are usually empty of people who are not praying and so it is quiet. Of course, this solution isn't perfect, but it is the best option. There is no prohibition on praying in mosques.*"

On the other hand, the rabbi stressed that praying in a Christian church was completely and strictly forbidden. "*In fact, it is forbidden to step into a church,*" he said.

So once again, we see that the supposed hatred between Jews and Muslims is more myth than truth. Christianity is considered to by both Judaism and Islam to be the *real* enemy that must be conquered at all costs.

Same Thing in the U.S.

Jewish Rabbi Joshua Stanton, writing in the *Huffington Post* in an [article](#) titled “Jews and Muslims in America Have More in Common Than We Think,” clumsily tried to make excuses as to why Jews and Muslims have been allying with each other in America, as well:

“Jewish and Muslim Americans share a number of common political views, even about issues as contentious as the Middle East conflict...

...81 percent of Muslim Americans and 78 percent of Jewish Americans support a two-state solution, which would enable Israel and a future independent Palestinian state to live side by side.

While dialogue about the Middle East conflict remains contentious, the vision for a long-term solution appears surprisingly similar.”

Rabbi Stanton admits there’s a “significant empathy on the part of many Jewish and Muslim Americans for one another.” He says this growing empathy between Jews and Muslims is largely because both sides are immigrants, and thus have a “shared experience” that draws them closer together.

Of course, the good rabbi apparently forgets that virtually *all* Americans are either immigrants or children of immigrants. The difference being, of course, that most immigrants to this country don’t root for its downfall at the hands of another immigrant population group.

As Nathanael Kapner, an American Jew who converted to Christianity has [pointed out](#), Jews in high positions of power in the U.S. government are some of the main supporters of Muslim immigration:

“The US State Department, with its Jew-intensive Senior Staff (Deputy Secretary: James Steinberg; Managing Secretary: Jacob Lew; Arms Control Secretary: Ellen Tauscher) is among the chief promoters of massive immigration into America.

The Assistant Secretary of State for Population and Migration just happens to be another Jew, one Eric Schwartz, who recently announced a doubling of the funds designated for immigration resettlement in the US...

*Various Christian leaders contend that along with Muslim resettlement comes their mosques, and with their mosques comes a blight on the American landscape...**And this is exactly what American Jewry is striving for...American Jewry wants nothing less than the complete annihilation of a white Christian presence in America.***

Unless their persistent anti-Christian agenda is stopped, Jewish organizations will fragment America into a multi-racial Welfare State from which moneyed-Jews will stand aloof and of which alienated Christians will stand disenfranchised.”

Nathanael Kapner goes on to [say](#), “Open immigration as foisted on Americans by the Jews has now come home to roost in every major city in the US, turning our once Christian American cities into Third World scenarios...it is only in a racially diverse environment that Jews can rule over their Christian hosts.”

Of course, most Christians have no idea what’s going on in the world today, in terms of the growing yet largely hidden undercurrent of Jewish/Muslim alliance against Christianity.

As I mentioned, American and European Christians are routinely taught – even in the churches – that the Jews are “our closest allies.” But it’s growing abundantly clear that the false Jews are openly using their control of the four hidden dynasties (i.e., politics, economics, education and religion) to *weaponize* unfettered mass Muslim immigration into the western Christian nations. In other words, they’re using Muslim immigration as a stealth weapon designed to dilute, neutralize and eventually eradicate Christianity throughout Western Europe and America.

What we’re actually seeing today – that is, for those with eyes to see and ears to hear -- is the secret use, by Jews in high positions of power through the west, of unfettered mass Muslim immigration in order to cripple and eventually defeat their mutual enemy, *Christianity*.

Can this be documented? Well, let’s take a look at some of the facts, and see for ourselves...

Jews and Muslims v/s Christianity

What most Christians simply don’t realize is that Muslims and Jews have a long history of strategic alliances *against Christianity* going back many centuries.

While there has indeed been animosity and warfare between Jews and Muslims in the Middle East, particularly since 1948 when the false Jews re-instated the nation of Israel, historically speaking that animosity is in many ways the *exception* rather than the rule.

From a strictly *historical* and *religious* perspective, Jews and Muslims have far more in common with each other than Christians have been led to believe.

For example, as briefly mentioned earlier, Muslims and Jews jointly condemn Christianity for having what they call “more than one God,” meaning the Trinity. Indeed, both the Jewish and Muslim religions openly consider Christians to be “blasphemers” and “idolaters” for espousing the Trinity.

In a YouTube broadcast (see [here](#)) titled “When Israel is Mighty,” Israeli journalist and anti-Zionist activist Yosi Gurvitz confirmed that Jews do not consider Muslims to be “idolaters” for the simple reason that Muslims “believe in only one God.” Christians, on the other hand, are considered by both Jews and Muslims to be idolaters. Gurvitz states:

“...ironically, [the Jews] would manage to get along with the Muslims, more or less, if we weren’t involved in a military conflict with them. Because according to Judaism, Muslims are not idolaters. Muslims believe in one God. They don’t have idols, they don’t have statues, they don’t have anything like that...during the Medieval Era, Jews got along better with Muslims than with Christians.”

And that’s essentially true: As you’ll see shortly, for centuries Jews and Muslims lived together in peace, and even aided each other in their mutual hatred of Christianity.

Even Jewish rabbis admit that Muslims treated the Jews with kindness and respect when Jews would flee to Muslim lands to escape supposed “Christian persecution” (which was usually legal and political retribution against Jews for some of the horrific crimes they committed against Christians).

But Gurvitz goes on to state that unlike Muslims, who have a long history of alliances with Jews, Christians will have it very bad when Zionist Jews finally rise to world power. He states:

“Now the situation for Christians, on the other hand, will be really bad. [According to Judaism], Christians are idolaters, and you have to kill them even if they do not resist Jewish rule...Christianity, which is the historical arch-enemy of Judaism, is going to get a serious beating once the religious Zionists are in power.”

That’s why we see Jews and Muslims today aligning with each other against Christian Europe and yes, even against Christian America, by jointly promoting mass Muslim immigration, and forcing it upon us.

Are there any more examples of a growing Jewish/Muslim alliance? Yes, of course. And it’s perhaps no better demonstrated than in the newfound alliance between the hard-core Muslim nation of Saudi Arabia and the Judaic nation of Israel.

As an example of this growing alliance, Saudi Prince Al-Waleed bin Talal has openly [called on all Arabs](#) to “end their hatred of the Jewish people.”

The same Saudi Prince bin Talal also stated, according to a news report published in the *Wall Street Journal*, November 23, 2013, that “*Saudi Arabian interests and Israel are almost parallel.*”

And even another Saudi prince, Saud Al Faisal, recently [declared](#) to a world assembly of Islamic scholars, “*We must reject planting hatred towards Israel and we should normalize relations with the Jewish state.*”

So how does this growing alliance between the Muslim Saudis and Judaic Israelis play out on the world stage? Here’s one example, according to Michael Hoffman’s [Revisionist History](#) newsletter:

“Saudi-sponsored al-Qaeda ‘Nusra Front’ troops wounded in fighting against Christian, Shia and Druse forces in Syria are given frequent medical treatment in Israeli hospitals, after which the Israelis ensure they are returned to the battlefield.”

Last I heard, of course, al-Qaeda was supposed to be the deadly enemy of the United States of America. In fact, it was over a dozen Saudi members of al-Qaeda who attacked the U.S. on 9-11 in 2001. And in 2003 six Muslim immigrants from Yemen (who had become naturalized citizens of the U.S.) were convicted of providing “material support” to al-Qaeda.

But now, apparently, al-Qaeda fighters are Israel’s new best friends in the Middle East – at least, as long as they’re fighting against “Christian, Shia and Druse forces” in Syria.

So the perpetrators of the 9-11 terror attacks in 2001 are now buddies with Israel. Do you find it interesting that you’ve never heard of an al-Qaeda attack against Israel? For that matter, you’ve never heard of an ISIS attack against Israel, either. Maybe they’ve *always* been closer than we’ve previously been led to believe?

So what happened to the idea of Israel being our “staunchest ally in the Middle East”? What are they doing helping al-Qaeda troops fight Christians in Syria? Well, a growing worldwide alliance between Jews and extremist Muslims *against Christians* is beginning to supersede our supposed alliance with Israel and the Jews. But this is really nothing new. Indeed, historically speaking, the alliance between Jews and Muslims against Christians has pretty much been the norm, as you’ll discover next...

The Long (But Hidden) Historical Alliance Between Muslims and Jews *Against* Christians

For example, in another issue of his *Revisionist History* newsletter, Michael Hoffman points out that the history of alliances between Muslims and Jews goes way back to the time before Queen Isabella of Spain rose to power and kicked the anti-Christian Jews out of her country.

Before she did so, she *first* kicked out the long-time *allies* of the Jews, which is to say, the Muslims, who had previously invaded and ruled over large parts of Spain, and who used the Spanish Jews to keep the Spanish Christians under their iron boot. Hoffman writes:

*“Muslim Spain was the ‘Golden Age’ of the Judaics, when parts of the country were ruled by Sunni Islam. Many renowned Talmudists flourished in that era...**Judaics also occupied high positions in the affairs of state, as advisers or ministers of the Islamic rulers...**Judaic financiers and merchants prospered. **There were famous Talmudic academies in Islamic Spain.**”*

So historically speaking, Muslims and Jews got along just dandy, as long as they were working with each other to keep Christians firmly in check in Islamic-subjugated nations like Spain.

Hoffman points out that according to Spanish historian Dario Fernandez-Morera, regarding the Jews of medieval Spain and their support of Muslims:

“Spanish Jews supported the Muslim invaders and guarded major conquered cities left behind by Muslim troops during their rapid advance (against Christian forces in Spain – ED).

They [i.e., the Jews] were then rewarded with an improvement in their condition. They continued to collaborate with the (Muslim) conquerors and function as counterpoise to the large subject Catholic population.

This alliance of convenience followed an Islamic practice dating back to the earliest Muslim conquests of Christian lands of the Greek Roman Empire in the Middle East and North Africa.”

In other words, historically speaking, Jews and Muslims have a natural tendency to ally with each other *against Christians*. And they’ve done so for centuries. It’s an “alliance of convenience” – i.e., based on mutual hatred of Christianity.

And historically speaking, those alliances rarely end until Christians rise up and kick *both* of them – Islamics and Jews alike – out of their countries.

Historian and author Salo Wittmayer Baron, described as “the greatest Jewish historian of the 20th century,” writing in his book titled “A Social and Religious History of the Jews” admits that Spanish Christian mistrust of Jews in the Middle Ages and beyond was “perhaps based on Jews having been a fifth column for the Muslim invasion of Spain.”

Spanish historian Jose Amador de los Rios also verifies the historical alliances between Jews and Muslims, stating in his 1875 book, “Historia Social, Politica y Religiosa de los Judios de Espana y Portugal”:

“A contingent of Jewish troops from Africa under the command of Kaula-al-Yehudi was part of the Muslim army that defeated the [Christian] Visigoths at Guadalete (Jerez), and the Muslim conquerors favored Jewish immigration from many lands as part of their political design against Spanish Catholics.”

In other words, historically speaking, the Islamic invaders of European nations such as Spain and Portugal used Jews to keep Christians under the boots of the Muslims – they even imported Jews for that specific purpose.

As an aside, the Visigoths were a largely Christian people who had ruled over large parts of Spain between 456 and the time of the Muslim Arab invasion of Spain in 711. According to EarlyWorldHistory.blogspot.com, “*the Jewish population welcomed the Muslim invaders as liberators. The Arabs killed the last Visigothic ruler, King Rodrigo, or Roderic, and the Visigothic kingdom and ethnic identity came to an end.*”

So the Jews of Spain helped the Arab Muslim invaders destroy Spain’s Visigoth Christians – an entire Christian culture. Is any of this beginning to sound familiar? If it’s not, you’re not *listening* very closely.

Hoffman also notes that according to British historian and Islamic scholar A.S. Tritton, several Muslim sources further confirm the historical Jewish/Muslim alliance against Christians. He states:

“In North Africa and the Middle East, Muslims soon realized that they could use the Jewish community, unhappy with its treatment in the Greek Roman (Byzantine) Empire, to help keep the Christians under control.”

Tritton went on to state, regarding historically documented attacks by an alliance of Jews and Muslims on the Christian Church of the Holy Sepulcher in Jerusalem:

*“News of the alleged **joint attack by Jews and Muslims against the Church of the Holy Sepulcher in 966**, and of the Muslim Fatimids’ actual destruction of the same Church in 1010, had reached Europe, and fostered animosity...**The Christian Greeks had long accused Jews of being in collusion with Muslims**...”*

Of course, as the old saying goes, “Those who don’t know their history are doomed to repeat it.” As Michael Hoffman further reveals in another issue of his *Revisionist History* newsletter:

“The history of the symbiotic relationship between Islam and Judaism, which western scholars who value their academic positions dare not call an alliance, has been tightly suppressed... More than 500 years after [the Jewish/Muslim alliance in Spain], extremist Islam continues to be secretly allied with the rabbis and Israelis.”

Indeed the hidden alliance between Jews and Muslims still flourishes to this day, thanks largely to their mutual hatred of Christianity.

Of course, just as most people don’t see the *historical* alliance between the Jews and Muslims, nor *today’s* growing Jewish-Muslim alliance in the Middle East, neither can they see the hidden Jewish hand behind the slow-motion Muslim invasion of “post-Christian Europe,” and now, of Christian *America* as well.

Jewish Control of Western Immigration Policy

Nevertheless, it is indeed the false Jews occupying high offices of power in the governments of the western Christian nations who have radically altered the immigration policies of those nations, which in turn has brought about this ongoing Muslim invasion of Western Europe, and now America.

The false Jews have promulgated policies of “open borders,” mass immigration and “multiculturalism” throughout Europe and America – policies that are ostensibly designed to “unite the world” in a New World Order.

But that New World Order cannot come into being without the gradual destruction of western Christian culture and its religion, Christianity. See, for example, “The Jewish Origins of Multiculturalism in Sweden,” [here](#), in which Professor Kevin McDonald of California State University, Long Beach, clearly states that:

*“Jews are motivated by the desire to break down ethnically and culturally homogeneous societies because of fear that such societies may turn on Jews... but also **because of traditional Jewish hatred toward the Christian civilization of the West.**”*

He goes on to state that *“Jews and the organized Jewish community were a critical necessary condition for the rise of multiculturalism in the West.”*

He further notes that Jewish intellectual movements such as the Boasian school are based around the idea of the “denigration of Western culture,” and forthrightly warns that Western political leaders who embrace Judaic policies of “open border” immigration and “multiculturalism” are essentially committing suicide:

“Western cultures have been uniquely susceptible to ideologies that view the destruction of the West as a moral imperative....”

Jews have used their power to disestablish the traditional idea of America as having a European ethnic and a cultural core based on Christianity.”

Additionally, consider reading The Jewish War on White Australia, [here](#), which documents how leading Jews in Australia promoted unfettered mass immigration to that nation for the specific purpose of diluting the white Christian culture; they also made sure new “hate speech” laws were passed, thereby *criminalizing speech critical of immigration and multiculturalism.*

Commentator Francis Carr Begbie, writing in the *Occidental Observer* in October 2015, explains that the same thing happened in Britain. He writes:

“In Britain it was Jewish activist lawyers, marching under the banner of human rights, who drove through the legislation that has not only opened the UK’s borders to immigration but also served to prevent Whites from openly discussing the role of Jews in bringing this about.”

Even in America, it’s the hidden Jewish power structure that has codified the country’s immigration policies, including America’s so-called “Open Immigration Law” of 1965 which has directly led to today’s massive influx of Muslim immigrants. Professor McDonald refers to it as *“the pivotal role of Jews in driving the demographic and cultural transformation of the United States.”*

Indeed, it was not until the 1965 “Open Immigration” Act that the U.S. began a policy that actually discriminated *against* further acceptance of white Christian European immigrants, and encouraged massive non-European immigration in its place.

As an aside, when Senator Ted Kennedy was chosen by the Jewish cabal behind the 1965 “Open Immigration” Act to promote it publicly, he assured the American people that the passage of the act *“...will not flood our cities with immigrants. It will not upset the ethnic mix of our society. It will not relax the standards of admission. It will not cause American workers to lose their jobs.”*

As I’ve stated many times in the past, when politicians enact new laws, you can pretty much count on the law bringing about the exact *opposite* of what was originally promised. That generally goes *double* when the false Jews of Revelation 2:9 and 3:9 are behind those laws.

New Orleans attorney Drew Smith, author of the book, *The Legacy of the Melting Pot* (1971), was one of the first observers to expose the true purpose behind the changes to America's immigration laws, and reveal who was behind those changes. He stated:

“The efforts to change the American immigration law and ultimately displace the European majority has been led almost exclusively by Jews...a cohesive people who use racial solidarity like a weapon, but a weapon they want only for themselves.”

And that's true. Since the 1920's it has been Jewish organizations such as the American Jewish Congress that led (and *still* lead) the effort to have “open immigration” implemented in the United States. And it was Jewish organizations and Jewish politicians who vehemently opposed legislation (such as the 1924 Immigration Act) that would maintain America as an ethnically European, Christian nation.

Most Americans don't realize that the 1965 “Open Immigration” Act was sponsored and backed by Jewish members of the U.S. House of Representatives, such as Adolph Sabath, Samuel Dickstein, Meyer Jacobstein and Emanuel Celler. Jewish U.S. Senators Herbert Lehman and later, Jacob Javits, coordinated the efforts. At that time, Senator Jacob Javits even authored an article entitled “Let's Open the Gates,” in which he proposed non-European immigration levels of 500,000 people per year into the U.S.

In short, the false Jews make their plans *decades* in advance and then look forward to accomplishing those plans in increments over the course of many years into the future. In this case, the plan all along has been to so alter the fundamental Christian character of both western Europe and America through mass non-Christian and non-European immigration that Christianity would no longer be the predominate religious or political influence. The idea was (and still is) to *dilute* Christianity to the point it's influence is negligible, and then defeat it.

According to Professor Kevin McDonald:

“Jews have been at the forefront in supporting movements aimed at altering the ethnic status quo in the United States in favor of immigration of non-European peoples.

... Jews, much more than any other European-derived ethnic group in America, have viewed liberal immigration policies as a mechanism of ensuring that America would be a pluralistic rather than a unitary, homogeneous society.

... In this regard, the Jewish success in influencing immigration policy is entirely analogous to their success in influencing the secularization of American culture.

As in the case of immigration policy, the secularization of American culture is a Jewish interest because Jews have a perceived interest that America not be a homogeneous Christian culture.

...The Jewish effort in this case was well-funded and was the focus of well-organized, highly dedicated Jewish civil service organizations, including the American Jewish Committee, the American Jewish Congress, and the Anti-Defamation League (ADL).”

Jewish commentator Lawrence Auster, who Professor Kevin McDonald has referred to as “one of those rare Jews who seems to have an appreciation for the traditional people and culture of America,” stated before his untimely death in 2013:

“The Jews also (as few people recognize, because the subject is forbidden) changed America in some profound and not always positive ways.

In terms of national identity, Jews were instrumental in the reformulation of America as a universalist society based strictly on ideology rather than on a distinct peoplehood.

This was a change that set the stage for mass Third-World immigration and the much more profound redefinition of America as a multicultural society.

...America’s transition from a Protestant culture whose public institutions, celebrations, and symbols reflected Christian belief, to a pluralist, secular society with no identity at all, was complete.

...Now that their enemies have been scattered and silenced, the left and the minorities can admit that their real agenda all along was not simply inclusion, equality, justice, or tolerance toward Jews and other minorities, but the destruction of the Christian culture.

The 1965 Immigration Act, the culmination of a forty-year, largely Jewish-led campaign, was not simply a piece of “liberal” legislation...

As early as 1952, the liberal idea of equality before the law was already linked in the minds of Jewish immigrationists with the radical project of dispossessing America’s white, Anglo-Saxon, Christian majority.

The Jews feel that they have a right to homogeneity and collective survival. But, as we have seen, the Jews deny this same right to white gentiles”

Auster goes on to state that Jewish intellectuals are “barely able to conceal their pleasure at Christianity’s being pushed aside.”

Flash Forward to Today

As the late Jewish neocon author and PBS television commentator Ben Wattenberg gloated regarding mass immigration into the U.S. for the purpose of diluting the country’s cultural heritage, “*The non-Europeanization of America is heartening news of an almost transcendental quality.*”

In other words, the *true* goals of the 1965 “Open Immigration” Act – the fragmentation, dilution and ultimate destruction of America’s traditional European Christian culture -- are now being fulfilled. And the false Jews are loving it.

As Leonard Glickman, president and CEO of [HIAS](#), the U.S.-based Hebrew Immigrant Aid Society, stated, when asked why his “Hebrew Immigrant” organization was helping so many Muslim Somalis immigrate into the U.S., “*The more diverse American society is, the safer [Jews] are.*”

According to the *Times of Israel*, HIAS vice-president, Rabbi Jennie Rosenn says the main goal of her Jewish organization is to “*significantly increase the number of refugees allowed into the U.S.*” The *Times* states that HIAS is pushing the Obama administration for “an additional 100,000 [Muslim] refugees per year.”

A *Times of Israel* cover [article](#) recently revealed that HIAS, “...offers [Muslim] refugees a variety of free services, including legal assistance for gaining their rights and becoming identified for resettlement.

But free to whom? According to an [article](#) in the New Observer, “*To add insult to injury, this private Jewish organization [i.e., HIAS] is funded by federal grants from the U.S. Department of State and the U.S. Department of Health and Human Services, the UNHCR and private contributions.*”

Put another way, *American taxpayers* are largely being forced to pay for the slow-motion overthrow of their own country at the hands of Jewish “human rights activists” and the Islamic immigrants whose cause they now champion.

A HIAS letter demanding increased Muslim immigration into the U.S., and “signed by more than 1,250 American rabbis” was delivered in December 2015 to all members of Congress. The letter invoked what the Jews claimed to be a Biblical commandment to “welcome strangers.”

Of course, God didn’t send us the Bible as a suicide manual. Europe and America have “welcomed strangers” for hundreds of years. But the Biblical admonition to do so doesn’t cover welcoming *the enemy* into one’s own midst with open arms.

So this would be a good time to see what the Bible actually *does* say about welcoming strangers:

Exodus 12:48 And when a foreigner shall sojourn with thee, and will keep the Passover to the LORD, let all his males be circumcised, and then let him come near and keep it; and he shall be as one that is born in the land: for no uncircumcised person shall eat thereof.

Exodus 12:49 One law shall be to him that is homeborn, and unto the stranger that sojourneth among you.

In other words, what the Bible actually says is that if the foreigners want to be treated “as one that is born in the land,” *they must adopt the cultural, political and religious practices of the land.*

It’s called *assimilation*.

The Jews *know* that the Bible does not in any way, shape or form command unfettered immigration of foreign enemies into one’s own country. Indeed, the Jews themselves don’t allow *any Muslim immigration at all* into the Middle East land of Israel. So it’s blatantly disingenuous of them to use this Bible passage as a cudgel with which to beat Christians over the head regarding mass Muslim immigration.

Now, in this country, the law of the land is the U.S. Constitution, which is based on English Common Law as well as on the Bible itself. And the Christian religion is the predominant religion. We don’t force immigrants to convert to Christianity, of course. The practice of Christianity should be so

appealing that a foreigner who's moved here would willingly want to become a Christian over the course of time.

But the point is, at the very least the Muslim immigrants can accept our Constitution and resulting (Christian) cultural values, as virtually all other immigrants to this country have done for the past 200 years, *or stay in a land whose laws and values suit them better.*

And the Jewish elitists who push mass Muslim immigration into our nation can keep their big noses out of our business, and quit wagging their hypocritical fingers in our faces.

(To learn more about the influence of Jews on changing America's immigration policies, see "Jewish Involvement in Shaping American Immigration Policy, 1881-1965: A Historical Review," [here](#); or see the article "Jews and Immigration Policy -- Again," [here](#).)

Diluted Culture, Defeated Christianity

Setting race aside, it's now become abundantly clear that the main reason the Jews have fought so hard since the 1920s for unrestricted mass immigration into the United States -- and into the western European Christian nations, as well -- has been to dilute the Christian culture, and ultimately to replace it with a *non-Christian* culture they're decidedly more comfortable with -- in this case, the Muslim culture.

As NonAlignedMedia.com has [stated](#):

"Zionist string-pullers from the West have used the current synthetic crisis in the Middle East to forward their long-term plan to ethnically displace (and replace) the indigenous peoples of Europe in the furtherance of globalism."

Or, as premier Jewish neoconservative commentator Norman Podhoretz once intimated, if indeed the worst enemy in the world for Jews is Christianity, "*a solution is to make European societies non-Christian.*"

The irony is that Zionist Jews like Israel Zangwill -- who coined the term "melting pot" in relation to the Jewish vision for Third World immigration into America -- have always fought tooth and nail to make sure the nation of *Israel* remains a purely Jewish, ethno-centric national state with little or no representation of other cultures or religions.

In other words, while the Jews work to make sure Europe and America's Christian culture and heritage is diluted, fractured and eventually destroyed through unfettered Muslim immigration and multiculturalism, in their own country of Israel they summarily reject all arguments in favor of multiculturalism and cling tenaciously to their Judaic heritage and religious values.

As former Chief of Orthopedic Surgery at San Francisco General Hospital Dr. Lorraine Day, M.D., has pointed out in an [article](#) on Jewish control of U.S. immigration policy:

"...the Jewish concept of an ideal America has been for ethnic and religious pluralism for the masses, while the Jews would remain a separate 'genetically' and culturally cohesive group.

In other words, the ‘ethnic and religious pluralism’ is the Jewish goal for everyone in America – except the Jews!

...The U.S. Census Bureau projects that by the year 2050, European-derived peoples will no longer be a majority of the population of America due to the massive influx of immigrants since the signing of the [open immigration] bill in 1965.

Most of these immigrants come from Third World Nations whose customs, religions, and culture are far removed from anything remotely resembling Christianity.

Within the context of a Jewish-informed ‘multicultural America,’ these immigrants are encouraged by the Jews to retain their own languages, customs, and religions.

The Jews have also given these immigrants a moral mandate to expand both demographically and politically.

And expand they will and do! But any attempts by European-derived peoples to retain demographic, political, and cultural control in America are represented by the Jews as being ‘racist and immoral.’”

And so it is. When Jews reject multiculturalism and Muslim immigration into their own nation of Israel, it’s explained away as an act of “self-preservation.” When Christians reject multiculturalism and mass immigration into their lands, it’s portrayed as an act of “bigotry” and immoral “racism.”

More on the Hidden Jewish/Muslim Alliance

At this point in history, western Christians are quite literally being *commanded* by the false Jews to embrace Muslim immigration.

For example, long-time Jewish activist and academic Barbara Lerner Spectre is an American Jew who moved to Sweden in 1999 to found an organization called Paideia: the European Institute for Jewish Studies in Sweden.

Married to Rabbi Philip Spectre, formerly Stockholm’s official rabbi and Sweden’s *de facto* chief rabbi for several years, in 2013 she admonished European Christians to accept the fact that Europe was going to be transformed by Muslim immigration, and that Jews would largely be behind this growing transformation. She stated:

“Europe has not yet learned how to be multicultural. And I think we’re [i.e., the Jews] going to be part of the throes of that transformation which must take place.

Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the center of that [i.e., transformation]. It’s a huge transformation for Europe to make.

They are now going into a multicultural mode and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive.”

(See documentation of her quote in the short [video](#), “With Open Gates: the Forced Collective Suicide of European Nations.”)

Paideia, of course, is the Greek word meaning a union of civilization, tradition, literature, and philosophy. And that’s exactly what Ms. Spectre and her group is pushing for. They want foundational European Christianity to disappear, and a largely “multicultural” foundation based on secularism and religious relativism (i.e., the largely Masonic ideal that all roads lead to the same God) to emerge in its place.

Former French president Nicolas Sarkozy (born of a Greek Jewish father), recently took it one step further and stated that interracial marriage is the goal of the new outpouring of Muslim integration into western European nations. He says:

"What's the goal [of Muslim immigration into the western Christian nations]? The goal is to meet the EU challenge of interracial marriage.

It's not a choice. It's an obligation. If voluntarism does not work for the republic, then the state will move in with more coercive measures. We MUST change. Therefore we WILL change."

In other words, prominent Jews are basically demanding the western Christian nations integrate with their Muslim invaders -- *or else*. (See documentation of the above quote in the short [video](#), “With Open Gates: the Forced Collective Suicide of European Nations.”)

After the Islamic terror attacks in Paris, the Jewish Press [reported](#):

“Prominent Muslim and Jewish leaders from across Europe pledged to stand together against the rise of extreme-right xenophobic and racist parties that represent an escalating peril to ethnic and religious minorities across Europe, including Jews and Muslims.”

You see, according to “prominent Muslim and Jewish leaders from across Europe,” the threat to Europe is not radicalized Muslims running around the streets of Paris indiscriminately shooting French folk and lopping their heads off with machetes while shouting “allah akbar.” Nosiree.

The real threat – according to Jewish and Muslim leaders -- is that Europeans might finally wake up to what’s really happening in their land and rise up against it. That would “represent an escalating peril to ethnic and religious minorities across Europe, including Jews and Muslims.” Well, we can’t have *that*, now, can we?

The Jewish Press report continued, regarding the alliance between Jewish and Muslim leaders in regards to Muslim immigration:

“These leaders made the pledge during a gathering in Paris of the “Coordinating Committee of European Muslim and Jewish Leaders... The first meeting of the Coordinating Committee was initiated by the New York-based Foundation for Ethnic Understanding (FFEU), the World Council for Muslim Inter-Faith Relations (WCMIR), and the World Jewish Congress (WJC)...”

So once again we see prominent Jewish groups and prominent Muslim groups *allied together* throughout Europe in one big “interfaith” back-scratching orgy – all in favor of continued mass Muslim immigration into Western Europe.

Now, listen to this one last piece of advice from World Jewish Congress vice-president Rabbi Marc Schneier:

“If Europe wants to remain true to its ethical and spiritual foundations, it must embrace people from different cultures, religions and ways of life. If not, it will not only fail as a concept, it will lose its soul.”

In short, according to Jewish leaders, in order for Europe to live, it must first *die*. Europe has to shed its Christian heritage and cultural foundation and “embrace people from different cultures, religions and ways of life.”

Of course, European nations and America, alike, have been inclusive societies for hundreds of years. Both Europe and America have a long history of welcoming immigrants such as Indians, Chinese, Vietnamese, Japanese, Russians, Latin Americans, Africans and many others, with no serious problems for the most part. Until recently, the immigrants have settled into the various western Christians nations and have assimilated relatively well and contributed to the native cultures.

What the World Jewish Congress is explicitly talking about is *Muslim* immigration – a people who arrive with the idea of *conquest* in mind (as you’ll discover in a later section of this report), and not assimilation and contribution. In short, what’s different this time around is that Europe is being commanded, in veiled and politically correct language, of course, to shed its cultural foundations and adopt to a new (largely Muslim) culture being imported by...Jews.

The World Jewish Congress goes on to say that it would be “immoral” for Europe to close its borders to the flood of Muslim “immigrants,” adding that “*Europe needs to act now. It needs to act as one, and not each country separately and differently. It’s high time for a united march towards more responsibility. Our answer can’t be to close the doors. Not only would it not work, it would be immoral.*”

So, according to European Jewish leaders, it’s a “responsibility” and a moral obligation for western Europeans to destroy their culture by welcoming more and more Muslim “immigrants” -- immigrants who, according to Reuters, “committed or tried to commit some 69,000 crimes” in the first three months of the year 2016, *in Germany alone* (a nation that had admitted one million new Muslim immigrants in the previous year).

As commentator Dr. Patrick Slattery summed up the situation, “*What really matters to Europe’s Jewish leaders is that millions of Muslim immigrants will make Europe unlivable for Europeans. And what’s bad for the Europeans is good for the Jews.*”

As you can see, Jews and Muslims have indeed allied with each other for the expressed purpose of transforming western European Christian culture (and now, American Christian culture as well) by diluting its core Christian values with those of opposing alien cultures and religions.

What About America?

And what about America? The same thing is planned for this once-great Christian nation, and indeed, is already happening.

In 2008, for example, Barak Obama infamously [declared](#) that America is “no longer a Christian nation.” And he later [stated](#) that America is “one of the largest Muslim nations in the world.”

While that’s quite an exaggeration, it does display Obama’s hopes for what he wants to accomplish before the end of his presidency. According to a [report](#) from the Senate Subcommittee on Immigration and the National Interest, from 2001 to 2013 the U.S. admitted a staggering 1.5 million permanent residents from “majority Muslim nations” into the U.S.

On top of that, the U.S. “resettled into America some 387,938 refugees from majority Muslim countries, as well as 76,728 asylum-seekers from those same nations.” And in 2013 alone there were another 117,000 “permanent residencies” granted and another 40,000 refugees – all from “majority Muslim countries.”

In short, since the 9-11 terror attacks, the U.S. has accepted more than 2 million immigrants, refugees and asylum seekers from predominantly Muslim nations.

Additionally, new documents show that Obama issued a staggering 680,000 green cards to “migrants” from Muslim-majority countries in the five year period from 2009-2013, with an additional 680,000 more green cards to be given to Muslim “migrants” between 2014 and 2018. And he now plans to bring in an *additional* 10,000 Syrian Muslim refugees per year.

According to Ian Tuttle, writing in a National Review [article](#) titled The Troubling Math of Muslim Immigration, “A green card entitles recipients to access federal benefits, lifetime residency, work authorization and a direct route to becoming a U.S. citizen.”

And according to an [article](#) on WorldNetDaily.com, “*If left in place, Obama’s refugee plan would substantially boost the annual number of migrants from [the Middle East] admitted to the U.S. who, in turn, would be able to petition for their overseas relatives to join them in America.*”

Perhaps even more shocking, according to an [article](#) on the website of the Center for Immigration Studies in June 2016, more than three million legal and illegal immigrants from a wide variety of regions (i.e., Asia, Latin America, Africa, Middle East) have settled in the United States *in the last two years alone*. That’s nearly the equivalent of adding the population of Los Angeles to the U.S. population rolls every two years.

Based on a recent study conducted by the Council for American-Islamic Relations, there’s already an estimated *five to seven million* Muslims in the U.S. And according to an [article](#) on the Billion Bibles website, “...*the Muslim population in USA today is about the size of the Hispanic population 27 years ago, but it is growing six times faster than the national rate, thanks to high rates of birth, immigration and conversions.*”

Indeed, according to a June 3, 2016 [news article](#) in the *New York Post*, the fastest-growing language in American homes is now...drum roll, please...*Arabic*. As the Post stated:

“Arabic is the fastest-growing language in American households... An estimated 1.1 million people ages 5 and older speak Arabic at home, an increase of 29 percent between 2010 and 2014. The number who speak Spanish at home has grown only 6 percent during the same period.”

Of those who speak Arabic at home, 38 percent are not proficient in English, according to census estimates... The growth in Arabic is linked to continued immigration from Middle Eastern and North African countries, according to the Pew Research Center.”

This stunning growth of the Arabic language in the U.S. corresponds with a similar phenomena in Britain, where Muslim immigration levels have been high for the past two decades. According to a [news article](#) in the British newspaper *The Independent*, in Britain, the name “Muhammad” is now the new #1 most popular baby name given to newborn baby boys in the country, displacing traditional British names like Oliver, Jack, Harry and James.

As Ian Tuttle further stated in the *National Review*, “...it can hardly be considered surprising that as the Muslim population in the country has expanded, so has the incidence of radicalism.”

Tuttle went on to point out that Muslims born and raised here in the U.S. to Muslim immigrant parents are still highly susceptible to Muslim radicalism. He writes,

“Radicalism seems to ferment as much, if not more so, among first-generation Westerners as among their immigrant parents. Which means that massive Muslim immigration may have few visible repercussions today — but a great many tomorrow. That reality is becoming manifest in the United States.”

And how is that reality becoming manifest? Here’s an example: Senator Jeff Sessions, Chairman of the Subcommittee on Immigration and the National Interest, says that his subcommittee has already [documented 72 cases](#) of Muslim suspects carrying out attacks or attempted attacks on Americans *over the past one year alone*.

Senator Sessions has stated that he believes all of the attackers are either foreign-born Muslim immigrants or their offspring, and has asked the Obama administration to clarify their immigration histories. But the Obama administration has ignored his request.

Of course, Obama has publicly chastised those who have risen up in opposition to his plan to add tens of thousands of new Muslim refugees from war-torn Syria into the huge mix of Muslims from numerous other Islamic nations already being allowed to pour into this country.

And he sternly warned Americans not to equate these new ‘refugees’ with the issue of terrorism. In other words, we’re to put our hands over our eyes, ears and mouths and see no evil, hear no evil, speak no evil.

The Donald Trump Phenomena

Much to Obama’s chagrin, millions of Americans have rallied around the presidential candidacy of Donald Trump, thanks largely to his promises to at least temporarily end all Muslim immigration into the U.S.

So how have Jewish leaders reacted to this tidal shift of American public opinion on unfettered mass Muslim immigration, and to their support of Donald Trump’s policies?

As a December 25, 2015 [headline](#) in *The Times of Israel* screamed: “Jewish Groups Decry Trump Pitch to Ban Muslim Immigration.”

The article went on to explain that Jewish groups such as the Jewish ADL (Anti-Defamation League) “reject the Republican frontrunner’s latest remarks as “deeply offensive” and “antithetical to American values.”

The Jewish ADL’s Abe Foxman stated, “*It’s time for Trump to stop spreading misinformation and hatred against immigrants, legal and illegal.*”

Of course, we Americans need the finger-wagging Jews to explain “American values” to us, right? After all, we Christians are kind of dense. As in Europe, all that’s really needed is a process of Jewish *Lemud*, i.e., *learning* – which is to say, learning to get used to the new order which turns our nation’s original Christian values on their head and substitutes new, Jewish-concocted, non-Christian and completely alien multicultural values in their place, *as if they were the originals*.

You see, we have to learn the new way, and the finger-wagging Jews are here to teach us right from wrong. Apparently, in this new “learning,” mass Muslim immigration into the United States of America is always good, right and of great moral imperative. But of course, the irony of the situation is that mass Muslim immigration into Israel is strictly *verboten*.

Why aren’t the Jews who support unfettered mass Muslim immigration into America offering to take Muslim “migrants” into Israel? It’s perfectly clear. Compassion, sympathy and sheltering the oppressed are all core Jewish values – for everyone *else*, that is, but *not* for Israel.

The above-mentioned news article in *The Times of Israel* went on to state:

“...Jewish groups on Monday lambasted Republican presidential frontrunner Donald Trump’s proposal to ban Muslim immigration to the United States, with the Anti-Defamation League condemning the remarks as “deeply offensive.”

The article quotes an American Jewish Committee representative as saying of Trump’s comments, “...*we find Mr. Trump’s call abhorrent and wrong.*”

The Director of the Religious Action Center of Reform Judaism also condemned Trump’s remarks, claiming “*we cannot abide religious bigotry.*”

Rabbi Jack Moline, director of the Interfaith Alliance, issued a statement in which he warned, “*Rooting our nation’s immigration policy in religious bigotry and discrimination will not make America great again.*”

The Zionist Organization of America stated, “Many, ourselves included, think Trump’s suggestion to exclude any and all Muslims from coming to America is excessive and ill-conceived.”

The Orthodox Union stated, “*Neither partisan politics nor xenophobia can have a place in that debate...*” (i.e., over Obama’s proposed new influx of tens of thousands of Syrian Muslim refugees).

These hyperbolic criticisms against Trump’s plan to temporarily halt Muslim immigration into America were preceded (November 2015) by eleven prominent Jewish groups writing an open letter to Congress calling on the U.S. to accept more Syrian refugees into the U.S.. They wrote, “*To turn our back on refugees would be to betray our nation’s core values.*”

As you can see, the Jews have settled on the tactic of casting any attempt at self-defense against unfettered mass Muslim immigration as a “betrayal of America’s core values.”

In reality, our “core values” are decidedly *Christian*. It’s the incoming Muslim hoards who seek to change our nation’s “core values” and replace them with alien spiritual and political values anathema to Christianity. But of course, the Jews behind mass Muslim immigration into the U.S. *know* this. And it’s exactly why they’re backing (and *directing*) mass Muslim immigration.

Wall-to-Wall Jewish Support For Mass Muslim Immigration

According to numerous Jewish news media reports, among the Jewish groups pressuring Congress to ignore the clear will of U.S. taxpayers to halt Muslim immigration and instead open the doors to even greater floods of Muslim immigrants in America are:

- The Union for Reform Judaism
- The Orthodox Union
- The Rabbinical Assembly
- The Hebrew Immigrant Aid Society HIAS
- The National Council of Jewish Women
- The Anti-Defamation League
- The American Jewish Committee
- The Jewish Council for Public Affairs
- The Association of Jewish Family and Children’s Agencies
- Habonim Dror North America
- The Jewish Labor Committee
- The National Council of Jewish Women
- T’ruah: The Rabbinic Call for Human Rights
- The Workmen’s Circle
- The Rabbinical Assembly
- Jewish World Watch
- The United States Holocaust Memorial Museum.

That’s pretty much representative of the whole kit-and-kaboodle of Jewry. It’s wall-to-wall Jewish support for mass Muslim immigration into the United States.

Imagine that. On the one hand we’re told that the Muslims are the most deadly enemies of the Jews (and humanity, as a whole). And on the other hand we’re lectured by world Jewry to embrace unfettered mass Muslim immigration into our own nation. Can you see anything wrong with this picture?

According to a Jewish Telegraphic Agency news article:

“American Jewish organizations don’t see the Syrian refugees as a threat...with rare unanimity...a cross-section of the [U.S. Jewish] community has defended the Obama administrations refugee policy....”

In the *Jewish Exponent*, America's second-oldest Jewish newspaper, a November 2015 article titled "An Anti-Refugee Sentiment Builds, Jewish Agencies Push for Settlement," states:

"As debate rages in Congress over the settling of Syrian refugees in the United States, Jewish agencies and community members are stepping up to assist those who have made it to our shores."

In a November 29, 2015 [article](#), *The New Observer* states:

*"Every major Jewish organization in America has publicly demanded that America open its doors to hundreds of thousands of Muslim 'refugees' – while at the same time supporting the Jews-only state of Israel which has barred all 'refugees' from entering... The overwhelming Jewish support for Israel, which has openly refused to accept even one refugee, **contrasts dramatically with their support for the policy of promoting Muslim refugees into America.**"*

Indeed, according to another [article](#) in *The New Observer* titled "Israel Bars 'Refugees,' Builds Wall – While Jews Support 'Refugee' Invasion of Europe":

"The Israeli government has refused to accept any 'refugees' from Syria or Africa—and is building a new wall to keep them out—while Israel-supporting Jews in Europe and America continue to demand that non-Jewish countries accept all Third World invaders without question."

Here in America, Jewish pressure to embrace mass Muslim immigration continues to grow. Now, a new [group](#) backed by Jewish billionaire financier George Soros, calling themselves the National Immigration Forum Action Fund, has also launched a bid to make sure the flow of Muslim refugees into the United States proceeds at full pace.

Wrapping their message in pseudo-patriotic language, their blatantly propagandistic motto is "America is better as a nation of immigrants." And on their website, they claim, "*Finally, economically, we know that refugees are not a burden, but instead represent a valuable, hardworking community of grateful residents who enrich our communities and help our businesses.*"

Burden or Benefit?

Anyone who's been reading the news would probably choke on that last claim. Only a Jewish propagandist could make such a decidedly false claim with a straight face. The reality, of course, is that the Islamic "refugees" have proven to be far more the burden than they've ever been of value.

Western Europe, for example, where Muslim immigration has exploded over the past 15 years, now experiences on a regular basis:

- [Torture, rape and sex attacks by Muslim men against Christian women](#) throughout virtually every European nation where Muslim immigration has taken place. In Sweden, for example, it's estimated by police that the 2% Muslim male population commits 77% of all rapes in the country (see [here](#)). See also more on the growing rape and sexual assaults by Muslim gangs in western Europe [here](#), [here](#), [here](#), [here](#) and [here](#).

- Frequent [riots and mob activity](#) by Muslim immigrants [throughout major world cities](#), including London, Paris, Stockholm, Gothenburg, Malmo, Cologne, Oxford, Birmingham, Oldham, Calden, Hamburg, etc.
- [Terror attacks](#), including bombings, shootings and stabbings in Paris (multiple), London (multiple), Brussels (multiple), Athens (multiple), Marseille, Madrid, Stockholm, Berlin, Frankfurt, Copenhagen, Leige, Toulouse, Montauban, Tours, Dijon, Porte de Vincennes, Saint-Quentin-Fallavier, Thays, Sydney and more.
- [No-go Zones](#) in various European cities in which non-Muslims aren't allowed to enter – including police, firefighters, ambulance workers and social workers. No-go zones have been documented in France, Sweden, the United Kingdom, Belgium, Denmark and other European nations. While western news media frequently refer to these no-go zones as “myths” and “bogus theories” and claim they’ve been “thoroughly debunked,” the people living in those areas [most certainly do not consider them to be myths](#). For example, Brice De Ruyver, the former security adviser to Belgian Prime Minister Guy Verhofstadt, has stated, “We don’t *officially* have no-go zones in Brussels, but in reality, there are.”
- [Demands by Muslims for the institution of Muslim Sharia law](#), and to allow Islamic religious tradition to push aside western law and Christian religious tradition. Indeed, in some areas of Western Europe, Sharia law already challenges the Christian foundations of the host European nations. See also [here](#), [here](#), [here](#), [here](#) and [here](#). And if you don’t think Sharia is already being pushed in America, see Kevin McCullough’s “Sharia-Creep,” [here](#), which explains Islamic intent to bring about the slow-motion implementation of Sharia law in the U.S.
- [Massive tax hikes](#) in order to support the “[social benefits](#)” being paid to Muslim immigrants who believe, according to Quran 9:29, that it’s their “right” to be supported by “inferiors” [through a poll tax to Muslims called the jizya](#) which they claim must be paid to them “with willing submission” so that we, the (Christian) “inferiors,” feel ourselves “subdued” by our Muslim “superiors.”
- [Skyrocketing crime rates throughout Europe](#), with Germany now seeing a staggering 65% rise in crimes after accepting one million Muslim immigrants the previous year, with an estimated 69,000 crimes either committed or attempted by Muslim migrants in the first quarter of 2016 alone, [according to German police statistics](#), and an astonishing [400,000 crimes linked to Muslim immigrants in 2015](#). Likewise, Sweden, which has accepted more Muslim immigrants than any other country in Europe, is experiencing [a dramatic leap in violent crime](#).

All of this has lead Robert Fico, the Prime Minister of Slovakia, to state in a January 2016 [article](#) in the UK Telegraph, “*The idea of multicultural Europe has failed. The migrants cannot be integrated; it’s simply impossible.*”

That’s the situation throughout Western Europe at this very moment, folks. That’s what Jewish-inspired and Jewish-directed Muslim immigration into the western Christian nations is bringing about.

And what about Muslim immigration to America, so far? Setting aside the 9-11 terror attacks which were carried out by 19 al-Qaeda-associated Muslim immigrants (largely from Israel’s new “bff” in the

Middle East, Saudi Arabia), the same thing Europe is now experiencing on a regular basis is beginning to happen here, as exemplified by:

- The Islamic terror attacks in San Bernardino, CA, in 2015, in which 14 people were killed and 22 seriously injured
- The Islamic terror attacks in Garland, TX at the 2015 Curtis Culwell Center art exhibit
- The Chattanooga, TN, Islamic “suicide attack” shootings in 2015 which left five people dead
- The ISIS-inspired Morgantown, NC terror attack plot in 2014
- The Moore, OK beheading of a food plant employee by a Islamic sympathizer in September 2014
- The 2014 Islamic murder spree of Ali Muhammad Brown, which encompassed three U.S. cities (Seattle WA, Skyway, WA and West Orange, NJ); Brown told police that his mission was “vengeance” for U.S. military involvement in the Middle East
- The 2013 Sacramento, CA Islamic terror attack, in which a “Muslim convert” on a “mission from Allah” stabbed an Ace Hardware store clerk 17 times
- The 2013 Boston Marathon Islamic terror attack bombing, killing three people and wounding some 260 others.
- The June 2016 “kill list” shooting of a college professor at UCLA and a woman in Brooklyn Park MN by Muslim college student Mainak Sarkar (who the news media, as per usual, first identified as being “white” before correcting themselves and admitting he was a Muslim immigrant who came to the U.S. on a foreign student visa and was later granted “permanent legal status” in 2014).
- And [numerous other](#) Muslim terror attacks since the 9-11 attacks on the United States in 2001 which killed nearly 3,000 Americans and injured some 6,000 others.

Indeed, as mentioned previously, Senator Jeff Sessions Subcommittee on Immigration and the National Interest has now documented [72 such terror attacks or attempted terror attacks in the single year between 2014 through 2015 alone](#), most of which were, unsurprisingly, *ignored* by America’s Jewish-owned and operated news media).

Even More

Numerous other attacks against Americans by Muslim immigrants take place on a regular basis, but are rarely (if at all) mentioned in the national news media.

For example, there’s the June 2016 [attack](#) on a female homeowner in Lawrenceville, GA, in which, according to a police report, a six foot tall “burqa-clad woman named Aisha Ibrahim” grabbed an American flag from the homeowner’s front yard and attacked the homeowner with it. When the homeowner’s two children came to their mother’s aid, the Muslim woman removed a shoe and struck

one of the children in the head. A neighbor subsequently intervened in the altercation and helped hold down the Muslim woman until police arrived.

The female Georgia homeowner, who had been flying the flag on her property to celebrate Memorial Day, later [stated](#): *“A lady walked out of our woods in a full Burka, full attire, stares at us for a minute, then grabs my American flag off of my mailbox and charges towards us with it, just swinging it with all her might.”*

According to a news [article](#) on TheSmokingGun.com website, it was revealed that the female homeowner later complained on her Facebook page, *“A muslim woman tore my flag pole down this morning and attacked me and my daughter with it. After the fight she was charged with simple battery 2 counts and nothing else. No hate crime. No destruction of property. No criminal trespassing. Nothing.”*

The police did later file one additional misdemeanor charge against the Muslim woman attacker when it was determined she had given police a fake name -- Amina Ali Ahra -- when busted. Police claim -- with straight faces, mind you -- that they could not determine a motive for the reported attack.

In a later post the homeowner [claims](#) to have discovered that her Muslim attacker is on welfare. She writes, *“...she has a valid visa and receives assistance!!!! They found her through her DHS file!!!! Now we are paying these people to attack us!!”*

Clearly another case of “grateful” Muslim immigrants “enriching our communities” and “helping our businesses,” as the George Soros-backed pro-Muslim immigration group assures us.

And this seems to be the case in most accounts of Muslims accosting Americans in their host country -- the aggressors are more-or-less treated with kid gloves while innocent Americans, including women and children, take the beating.

The Welfare Crowd

And how many *other* ways are the Muslim refugees who are now beginning to pour into this country at a greater pace than ever before “enriching our communities and helping our businesses” as the Jewish-backed pro-immigration groups claim?

Well, according to data drawn from the Obama administration’s own Office of Refugee Resettlement, figures for the years 2008 through 2013 show that nearly [70% of all Muslim refugees to the U.S. have joined the welfare rolls and over 90% are on food stamps](#).

What’s more, according to a [news article](#) in the *Washington Examiner* titled “Feds Spend Nearly \$20,000 to Settle Every Refugee”:

“Federal taxpayers are on the hook for nearly \$20,000 just to settle each refugee and asylum seeker, who are then immediately eligible for cash welfare, food stamps, housing and medical aid... the U.S. is currently accepting about 95,000 refugees and asylum seekers. That is in addition to the over 500,000 legal and illegal immigrants coming to the U.S.”

According to a 2016 [report](#) titled *The Impact of Refugees on the Size and Security of the U.S. Population*, the federal government has set aside some \$1.8 billion “in federal support to help refugees

settle and sign up for further cash awards from Uncle Sam.” The report further explains, “...more refugees come to the U.S. than to the rest of the world combined: 67% of UN-referred refugees settled in the U.S. in 2014.”

The report goes on to say, “*The Office of Refugee Resettlement (ORR), a part of the U.S. Department of Health and Human Services (DHHS), enrolls refugees in a broad range of welfare programs – for which refugees automatically qualify after 30 days.*” According to the report, this “broad range of welfare programs” includes cash assistance, food stamps and Medicaid.

In other words, American taxpayers are being forced to support the Muslim immigrants, *en masse*. It’s nothing less than Islamic *jizya* – forced compensation from “inferior” Christians to their Muslim “superiors” -- just like what’s now taking place throughout Western Europe.

With George Soros and his Jewish cohorts now pushing for growing numbers of Islamic refugees to be ushered into the United States, it’s frightening to think how much longer the U.S. will have before it, too, becomes a “post-Christian” nation like the nations of Europe.

According to an [article](#) on OneNewsNow.com:

“Obama and his socialist billionaire backers like George Soros want to attract and import as many people into America as possible before the end of his term to secure their long-range plans to overthrow the American republic from within,” says [Americans for Legal Immigration](#) President William Gheen during a recent interview with WorldNetDaily.com.

“They want more people with views that are foreign to American principles and our Constitution that are also dependent upon the corrupt federal government for their presence and livelihood here. Obama can do these things because Paul Ryan and his 150 RINOs in Congress are funding, protecting, and facilitating Obama’s betrayals of the Constitution and our citizens.”

The Anti-Christian Jewish Mindset

So how long will it be before the Jewish rabbis end up gleefully reveling over the destruction of America’s largely Christian culture and way of life by their “Islamic brothers,” just as they now celebrate the Islamic invasion of western Europe and the ongoing destruction of Christianity there?

Consider the mindset of Rabbi Joshua Hammerman, who, in a diatribe against pro football star Tim Tebow, an avowed Christian, recently demonstrated the absurd extent of the irrational Jewish hatred toward Christianity, as well as underlying Jewish support for Muslims over Christians.

Writing in *The New York Jewish Week*, Rabbi Hammerman, spiritual leader of New York’s Temple Beth El, and member of New York’s Rabbinic Leadership Council revealed his true colors:

“If Tebow wins the Super Bowl, against all odds, it will buoy his faithful, and emboldened faithful can do insane things, like burning mosques, bashing gays and indiscriminately banishing immigrants.

While America has become more inclusive since Jerry Falwell’s first political forays, a Tebow triumph could set those efforts back considerably.”

Imagine that: A prominent Jewish rabbi actually believes a Tim Tebow Super Bowl victory could have resulted in “burning mosques” and “indiscriminately banishing immigrants.” And why? Simply because Tebow prayed publicly to Jesus Christ before and after football games!

Yet on the Temple Beth El website, Rabbi Hammerman is described as “focusing his efforts on creating an oasis of warmth, love and mutual respect.” Yep, warmth, love and mutual respect between Jews and Muslims. But Christians be damned.

Jewish conservative Lawrence Auster – a man unafraid of pointing out the foibles of his own people – has stated that such irrational Jewish logic is rooted in fears of a Christian holocaust against Jews. He states:

“Now when Jews put together the idea that “all social prejudice and exclusion leads potentially to Auschwitz” with the idea that “all bigotry is indivisible,” they must reach the conclusion that any exclusion of any group, no matter how alien it may be to the host society, is a potential Auschwitz.

So there it is. We have identified the core Jewish conviction that makes Jews keep pushing relentlessly for mass immigration, even the mass immigration of their deadliest enemies.

In the thought-process of Jews, to keep Jew-hating Muslims out of America would be tantamount to preparing the way to another Jewish Holocaust.”

In other words, to Jews, mass Muslim immigration into Europe and America *must* be whole-heartedly supported because to fail to do so would be a sign of bigotry, and of course, bigotry sooner-or-later always lead to further attempts to extinguish Jews.

As you can see, it’s logic that would make just about anyone’s head spin. But when you factor in the *real* reason Jews push ceaselessly for continued unfettered mass Muslim immigration into western Europe and America – i.e., as a means of diluting, fracturing and eventually *destroying* Christian influence – you realize the full extent of irrational Jewish fear and loathing.

After all, it’s European and American Christians who have given the Jews safe haven since WWII... it’s European and American Christians who made sure the Jews were given the Middle East land of Israel for a homeland in 1948...and it’s European and American Christians who have allowed elitist Jews to ascend to the heights of power throughout the west. Yet in spite of all of this, the Jews *still* irrationally fear Christianity far more than they fear what Rabbi Pinchas Goldschmidt refers to as their “Muslim brothers.” The false Jews clearly have far more in common with the Muslims, and far less in common with Christians, than we’ve ever been led to believe.

What the Jews Are Actually Supporting and Directing: Islamic *Hijrah* (Conquest via Migration)

What the elitists Jews in high positions of power who continually push for mass Muslim immigration are actually supporting (and *directing*, from behind the scenes) is a 1,400 year old Islamic practice called *Hijrah* – Muslim conquest of foreign nations through immigration.

Hijrah is a central tenet of the Islamic religion. And of course, the false Jews know it, which is why they're using Muslim immigration as their battering ram against the western Christian culture they hate so much.

In essence, the Muslims conquer through immigration. And the false Jews, entrenched in high positions of political power throughout the western Christian nations, *open the doors to mass immigration for the Muslims*. The Jews do this through their strong-arm support of "open immigration" legislation, plus through behind-the-scenes pushes for the enactment of public policy changes and court rulings that keep the doors wide open.

In 2006, former Libyan leader Moammar Khadafi infamously stated, "*We have fifty million Muslims in Europe. There are signs that Allah will grant Islam victory in Europe – without swords, without guns, without conquests. The fifty million Muslims of Europe will turn it into a Muslim continent within a few decades.*"

Khadafi, of course, was specifically talking about the Islamic doctrine of *Hijrah*. The term "*Al-Hijrah*" basically means carrying the religion of Islam into foreign lands *through immigration*, and then instituting it there until it becomes the predominate religious and political power.

It's essentially the act of purposeful migration to foreign lands for the spread of the Islamic religion. And it's based on Mohammed's "immigration" from Mecca to Medina, where he laid the groundwork for the Islamic State and its Shariah law, with Islam later following the same principles (combined with warfare) to conquer the Roman and Persian Empires, respectively.

According to authors Sam Solomon and E Al Maqdisi, writing in the excellent and extremely important [book](#) *Modern Day Trojan Horse: the Islamic Doctrine of Immigration*:

"Within Islam, the Hijrah was enshrined by Mohammed as the "Doctrine of Immigration" ... Hijrah and military conquest are two components of Islamic expansion.

...So today as we see staggering numbers of immigrants from Muslim countries in Europe and in the Americas, with developing Muslim communities that are self-segregating and asking for more and more rights and privileges to the point of the recent adoption of Shariah Family Law in the United Kingdom ...

... we have to ask the questions... 'Are these communities wanting to join free societies? Or are they extending the 'Abode of Islam' as per the 'Doctrine of Immigration' which was modeled by Mohammed in the initial Hijrah?

...The authors of this book argue that 'Islamic Immigration' (Al-Hijra) is tied organically and inseparably to a form of immigration which is an integral part of the Islamic call (da'wa) to establish an Islamic state or political power base and to spread Islam.

...[the goal of Hijrah is for] dedicated and pious Muslims to transform the world into the abode of Islam."

The authors point out that even today, "...many existing Islamic societies and countries have been gained through 'immigration;' societies and countries such as Indonesia, Malaysia, East Africa, West Africa, parts of India, central Asia, and so on."

In other words, Islamic *Hijrah* – conquest through immigration -- has been an ongoing successful model for some 1400 years, and still is to this day. What's more, the authors of *Modern Day Trojan Horse: the Islamic Doctrine of Immigration* state:

“Modern Islamic intellectuals and planners have been actively working on applying the Doctrine of Immigration to the Muslim societies in Europe, North America, and Latin America.

The advocated mechanisms and tools are not mere ‘parallels’ of what Mohammed did in Medina some 1400 years ago, but actually are precise imitations and applications of what he did and developed...”

The authors further explain:

*“...the threat from Islam doesn't just come in the form of Islamic terrorism by suicide bombers trying to wreak havoc in our cities. **More often, it comes in the form of a gradual and incremental transformation of our societies and legal systems, or what is termed ‘Islamisation’ of our democratic societies by the vast growing numbers of Muslim immigrants who are importing Islam into our Western way of life.***

*...Blinded by political correctness and their ideals of cultural relativism, [western political leaders] are giving in to increasing demands by Muslim communities. **That is a costly mistake, because Islam is not compatible with our Western civilization nor will it ever be. That's because Islam doesn't want to coexist; it wants to set the agenda...***

*...Today, of course, we are witnessing the greatest Islamisation ever, especially in Europe, Canada, USA and Latin America – **all of the major bastions of Christianity.**”*

According to the Islamic Research Foundation International, Inc., *Hijrah* is considered in Islam to be a highly praiseworthy and commendable act, which brings additional blessings from Allah both in this life and the afterlife. They quote the Quran as saying,

*"Those who believe, **and migrate and strive in Allah's cause**, with their goods and their persons, have the highest rank in the sight of Allah: they are indeed the successful people.*

Their Lord does give them glad tidings of a Mercy from Himself, of His good pleasure, and of Gardens where enduring pleasure will be theirs: They will dwell therein forever. Verily in Allah's presence is a reward, the greatest (of all)." (Al-Tawbah 9: 20-22)

In other words, by migrating to foreign countries, pushing the religion of Islam on their new hosts through a process of gradualism, and ultimately striving for Islamic political dominance, Muslims gain Allah's favor. According to the MissionIslam.com website:

“The Hijrah is a vitally important aspect of Islam; it is at once the guiding principle of alliance and dissociation and the supreme example of it.

The Muslims could never have abandoned their homes and families, exposing themselves to the pain of separation and the hardship of migration if it had not been indispensable to the practice of their religion and the assertion of Islam in the land.

Allah promised these emigrants a great reward in this world and the next, saying: Those who left their homes for the sake of Allah after having suffered persecution shall be settled in comfort in this world but in the next is the greater reward if they but knew. ['An-Nahl: 41-42]

When a Muslim finds himself living in a land where he is *not* restricted from practicing his religion, he is obligated to wage spiritual and/or physical warfare (“jihad”) to establish the Islamic faith there *until it becomes the predominate faith*. The Islamic prophet Muhammad said, “*Jihad (struggle in the path of Allah to establish his religion) is an ongoing duty until the Day of Resurrection.*”

“Fundamental Transformation”

Islamists claim that when the prophet Muhammad made his initial *Hijrah* from Mecca to Medina, “He did not just transfer his residence or took shelter in another city, but as soon as he arrived in Madinah [i.e., Medina], he began the transformation of that city in every aspect.”

Sounds just a little bit like Obama’s promised “fundamental transformation of America,” doesn’t it? And you’d be right to think so. Islamists claim Muhammad first built a mosque, then established an Islamic school, then established close relationships with other local Muslims, then began working to clean up the city, dig wells, establish gardening and cultivation, and finally established laws to ensure the safety and security of Muslims.

Critics point out that while this sounds good – even philanthropic – there are actually two stages of *Hijrah*: the peaceful, non-compulsion stage (establishing a beachhead), and a later compulsion stage (*jihad*) that includes harassment (both legal and physical), expropriation of property from those who don’t go along with conversion to Islam, followed by forced conversions, religious and political domination of all other groups, and ultimately expulsion (or death) of those who do not agree.

Muslims emigrating to the west are urged to “transform their *Hijrah* into an act of *Ibadah* (worship).” They are admonished to “dedicate themselves to be ambassadors of Islam in their new home.” In other words, the entire point of Muslim immigration into foreign lands is to spread the religion of Islam and Islamic rule throughout the land they’ve migrated to, by waging *jihad* – struggle in the path of Allah.

Assimilation into the population they’ve migrated to is simply *not an option* for faithful Muslims. Gradually *conquering and then converting the population* to Islam is the entire point of *Hijrah* and *jihad*. According to a [document](#) published on the website of the Christian Reformed Church of North America:

“The Islamic doctrine of Hijrah or conquest via immigration is alive and well. In a similar fashion to the movement [of Mohammad] to Medina, the purpose is to first establish a beach-head, and then slowly gain increasing influence and power, likely in a peaceful way at first, and then more violent later.

The goal, as it was in Medina, is not to cooperate and to assimilate to the local customs and culture—although that can be done for a short time in order to gain a critical mass of Muslims—but it is to strategically take over more and more areas of religious and political influence.”

The document goes on to point out:

“If one looks at areas of London, Amsterdam, Paris and Stockholm, this replay of Islamic history is patently obvious. At present four hijrah tactics are being used to gain control of certain areas:

- 1. Multiplication of Muslims by birth rates*
- 2. Multiplication of Muslims by immigration*
- 3. Multiplication of Muslim influence via political systems*
- 4. Expulsion of non-Muslims from certain areas by numerical and sometimes dominance by force—[think of the effect of documented rape-gangs in areas of Great Britain]”*

Humiliation, Degradation, Violence, Conquest

I would argue that the fourth tactic of *Hijrah* listed above should be called “forced conquest by Islam through violence, humiliation and denigration.”

After all, in many areas of Europe, such as those in which the Muslim “dress code police” hunt down and then sexually molest or even rape European women for not wearing “modest” enough clothing, that’s what’s already happening. Europeans are not being expelled from their countries. Not at all. But they’re being hunted, humiliated and dominated by the Islamic militants they previously welcomed with open arms.

In fact, the Islamic immigrants consider gang-molesting and even gang-raping European women a “game,” which they call *Taharrush* (and which purportedly means “group sexual harassment” in Arabic). According to an [article](#) the website Speisa.com:

“The ‘rape game’ Taharrush is about a large group of Arab men surrounding their victim, usually a Western woman or a woman wearing Western-style clothing, and then the women are subjected to sexual abuse. They surround the victim in circles. The men in the inner circle are the ones who physically abuse the woman, the next circle are the spectators, while the mission of the third circle is to distract and divert attention to what’s going on. If there is enough men, the woman is dragged along by the mob, while the men take turns ripping her clothes off, grope her, and inserting fingers in her various body orifices.”

You can watch a YouTube video of the *Taharrush* “rape game” being played out against a female Dutch journalist by a large group of Muslims, [here](#). You can watch a video news report of the “rape game” taking place in Cologne, Germany, [here](#). And you can read additional European and American news reports about the Muslim “rape game,” *Taharrush*, [here](#), [here](#), [here](#), [here](#) and [here](#).

As the Billion Bibles organization [points out](#) on their “Spread of Islam” website, the spread of Islam into the western Christian nations is accomplished in five stages, i.e., *arrival, recognition, penetration, confrontation*, and finally *imposition*. The *Taharrush* “rape game” is apparently a part of stage four – confrontation -- which many European communities are apparently already encountering. (Learn more [here](#).)

As aptly pointed out in an [article](#) on the *American Thinker* blog:

“After decades of Muslim terrorism, the West is now experiencing the fruits of Hijrah, the Muslim invasion, in Europe. The bodily integrity of Europe’s women is being sacrificed upon the altar of multiculturalism to the insatiable god of jihad.”

According to an [article](#) in the *New Observer*, in 2015 alone criminal mass sex attacks by Muslim refugees against European women had already taken place in Germany, Austria, and Switzerland.

The *New Observer* comments, *“These people who remained silent, or willingly acquiesced, with the flooding of Europe by violent, misogynist, sex-crazed, criminal-refugees from the Third World, have committed grand treason. If Europe is saved from this disaster, these anti-white liberals who actively participated in creating the crisis must be called to account for their crimes.”*

We’ve already seen, of course, that it’s not “anti-white liberals” who are responsible for the import of these “violent, misogynist, sex-crazed, criminal- refugees,” but instead, Jewish elitists in high positions of power seeking to dilute and destroy the Christian foundation of the west. *In other words, the false Jews are the hidden hand behind Muslim Hijrah.* The anti-white liberals are just another set of dupes under Jewish control.

But will the Jewish betrayers of the Christian culture that’s supported and protected them for so long ever be brought to justice for their crimes? Yes, indeed, they will. God Himself will take care of it. As it’s written:

Mat 13:40 As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

Mat 13:41 The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

Mat 13:42 And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

But until that great day of the Lord’s Judgment rolls around, it remains incumbent on Christians to stand firmly for the Christian faith, support the Christian culture and boldly promote the Gospel message. In just a moment, we’ll take a more in-depth look at what God expects from Christians under these circumstances. But first, let’s learn a little more about *Hijrah* and its ruinous consequences for the western Christian nations...

Even the Pope Joins with Muslims in *Hijrah*

Interestingly, the Catholic Pope recently told European and American Christians that the idea of conquest that’s “inherent in the soul of Islam” is [no different than when Jesus sent His disciples to all nations](#). Of course, the Pope was only *partially* right. Christ did indeed send His disciples forth into the world to carry forth the Gospel message as a means of spiritual conquest.

But the Pope idiotically compares Muslim *Hijrah* – forcible domination and conversion of “infidels” (i.e., Christians) to Islam through institution of Sharia law – with Christ’s gentle ideal of simply laying

forth the Gospel truth and allowing “whosoever will” (Revelation 22:17) to either accept it or reject it, and go on about their business.

In that, the Pope shows either a remarkable failure to understand the very Gospel he claims to support, or perhaps he’s become a Muslim convert himself.

Christians don’t run around blowing people up, lopping off heads with machetes and sexually molesting/raping the women of non-Christian cultures in order to win converts to Christianity. The Pope’s ridiculous comparison of Islam’s *Hijrah* and subsequent *jihad* (warfare for the sake of Allah) with Christ’s command to take Christianity to the world has no basis in reality.

Hungarian Prime Minister on Islamic *Hijrah* and the “Hidden Powers Blending Our Culture

Hungarian Prime Minister Victor Orban recently [spoke out](#) against mass Muslim immigration into Europe, explaining that “hidden, faceless world powers” were working to eliminate traditional European cultures, religions and populations and replace them with a new global order. He stated:

“...today Europe is as fragile, weak and sickly as a flower being eaten away by a hidden worm.

...It is forbidden to point out that the masses arriving from other civilizations endanger our way of life, our culture, our customs and our Christian traditions.

It is forbidden to point out that those who arrived earlier have already built up their own new, separate world for themselves, with its own laws and ideals, which is forcing apart the thousand-year-old structure of Europe.

It is forbidden to point out that this is not an accidental and unintentional chain of consequences, but a preplanned and orchestrated operation; a mass of people directed towards us.

...It is forbidden to point out that the purpose of settling people here is to reshape the religious and cultural landscape of Europe, and to reengineer its ethnic foundations — thereby eliminating the last barrier to internationalism: the nation-states.

At last, the peoples of Europe, who have been slumbering in abundance and prosperity, have understood that the principles of life that Europe has been built on are in mortal danger.

Europe is the community of Christian, free, and independent nations; equality of men and women; fair competition and solidarity; pride and humility; justice and mercy.

...Mass migration is a slow stream of water persistently eroding the shores. It is masquerading as a humanitarian cause, but its true nature is the occupation of territory. And what is gaining territory for them is losing territory for us.

Today it is written in the book of fate that hidden, faceless world powers will eliminate everything that is unique, autonomous, age-old and national...They will blend cultures, religions and populations, until our many-faceted and proud Europe will finally become bloodless and docile.

And if we resign ourselves to this outcome, our fate will be sealed, and we will be swallowed up..."

Be sure to read to the entirety of his speech or watch the video of his speech [at this link](#).

Prime Minister Orban's point that it's all about TERRITORY is right on target. The Muslims (and the hidden Jewish powers behind them) know that in order to conquer a religion and its people, they first must conquer the GROUND that religion and its people rest upon.

That is the Muslim concept of *Hijrah* (conquest through immigration) in a nutshell. Hence, today we have the mass migration (i.e., invasion) of Muslim hordes into the western Christian nations under the thin veneer of "humanitarianism."

Christian Europe may, or may not yet be completely lost to the Muslims. But there's one thing for certain: The next big chunk of ground the Muslims (and the hidden Jewish powers directing them) are eyeing and actively planning to conquer is OURS, i.e., the United States of America.

“Be Ye Holy, for I Am Holy”

The Jewish push for “open borders” and “open immigration” -- as exemplified by today's mass transplant of radical Muslims from the Middle East into the western Christian nations -- is specifically designed to remove God's blessings from our land and its Christian people by eliminating the *holy* nature of both the land and its people.

This directly relates to the concept of Islamic *hijrah* – i.e., conquest via immigration -- mentioned above. Bear with me for just a moment while I explain:

In the Old Testament times, our heavenly Father repeatedly commanded His People as follows: “*Be ye holy, for I am holy.*” (See Leviticus 11:44-45; Leviticus 19:2, Leviticus 20:7, Leviticus 20:26).

That command has never been rescinded, but instead was given second witness in the New Testament by St. Peter. As it's written:

1Pe 1:15 But as he which hath called you is holy, so be ye holy in all manner of conversation [i.e., conduct];

1Pe 1:16 Because it is written, Be ye holy; for I am holy.

In the Old Testament from which St. Peter quoted, the word “holy” is translated from the Hebrew word *qadosh* (H-6918), meaning “sacred,” a word with which Christians are abundantly familiar, but know little of its actual meaning.

When you dig deeper into the meaning of the word *qadosh*, you find that it actually means to be “set apart,” “removed,” “dedicated,” or even “separated,” with the gist of the meaning being that we're to set ourselves apart *from the rest of the world and its religious beliefs, and dedicate ourselves solely to God, through Christ.*

We are to be *separate* from that which is considered by God to be spiritually polluted, vulgar, base or worldly, such as the false religions of the world and the growing trend of “political correctness” that reduces the Christian religion and its culture to that which can only be practiced behind closed doors rather than openly and freely. As it’s written:

Leviticus 20:26 -- And ye shall be holy [i.e., set apart] unto me: for I the LORD am holy [i.e., set apart], and have severed you from other people, that ye should be mine.

The above verse sums up the *true* meaning of the word “holy.” We are to be “set apart” – i.e., severed, or separated from the worldly unto God. And of course, that can only happen through that One – Jesus Christ -- whose redeeming act on the cross sets us apart from all others. In other words, following Christ *IS* what sets us apart from the rest of the world and their religions. It *IS* what makes us “holy.”

Naturally, while we’re in the world, we cannot escape the world. There’s always going to be people around us who do not believe nor act as we do. But as St. Paul clearly stated in I Corinthians 5:9-13, we don’t have to conform ourselves to the *ways* of the world or its people, nor cave in to their conduct, behavior or beliefs. Nor should we ever dilute our own beliefs in order to please them.

We can remain separate, *spiritually* by sticking with our Lord and Savior Jesus Christ and His Gospel message, no matter what.

Of course, that’s the exact *opposite* of what the Jews behind unfettered mass Muslim immigration into the western Christian nations are trying to achieve. They’re counting on imported Islam (and concurrent political correctness enforced largely through Jewish control of the broadcast media) to uproot and supplant foundational Christianity throughout Europe and America.

Thankfully, we don’t have to allow ourselves to become spiritual “fornicators,” which is to say, those who cave in to political correctness and allow our Christian culture to be debased and dissolved while Qur’anic Islam is imported from afar and set up in Christianity’s place *by the adherents to Talmudic Judaism.*

The bottom line is that God’s Word is holy, meaning it’s *set apart* from anything else this old world has to offer, including false religions like Talmudic Judaism and Qur’anic Islam, both of which offer up for worship a “god” other than our Lord and Savior Jesus Christ. In fact, I would hasten to add that the adherents to Judaism and the adherents to Islam worship the very *same* “god” – a “god” known to Christians as *Satan.*

Indeed, we know for a fact that they *don’t* worship our heavenly Father, because the Scriptures clearly tell us that one cannot deny the Son of God and at the same time still claim to worship God (John 5:23; 1 John 2:23). Yet both Islam and Judaism do exactly that. Judaism denies Christ completely, claiming in their Talmud that He’s a blasphemer Who is boiling in hell in hot excrement for His blasphemies. And the Muslims relegate Christ to a mere “messenger of Allah.” They openly refute His divinity as well as His deity, claiming He was not God incarnate, nor the Son of God, but instead a creation of Allah. In other words, the Muslims deny the Gospel message, as do the Jews. (Learn more about the profound differences between the Muslim “Jesus” and the Lord Jesus Christ, [here](#) and [here](#).)

As well-known Christian evangelist Franklin Graham has stated, “*Islam denies that God has a Son. They deny that Jesus is God...I can tell you–Islam and Christianity clearly do not worship the same God.*”

This is another crucial point to consider when grasping the fact that Muslims and Jews have aligned in a largely hidden end-days effort to *destabilize, humiliate, denigrate, neutralize* and ultimately *relegate* western Christianity to the dustbins of history. This hidden alliance between two seeming enemies – Islam and Judaism -- is easily understandable if you can grasp the simple fact they both reject Jesus Christ as Lord, and therefore do not have the Father...they both worship the same “god” (Satan)...and they both pursue the same ultimate goal, i.e., the defeat of Christianity.

Standing Our Ground for the Gospel of Christ

Following Jesus Christ is what *sets us apart* from the rest of the world. It's quite literally what makes our people and our nation *holy*. And it is therefore what we must not allow to be diluted, denigrated, or defeated in any way, shape or form. As Christians we must boldly stand our ground on the Gospel truth. As it's written:

Mat 7:13 Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat:

As the Living Word of God, our Lord and Savior Jesus Christ IS that “strait gate” (i.e., narrow entrance) back into the family household of God. And all people are welcome. They have only to accept Jesus Christ to enjoy salvation and access to the eternal family household of God.

But the “broad way” is the *worldly* way, i.e., the way of compromise with the world's multitudinous cultures and religions, to the detriment of our Christian culture and core Christian values. This “broad way that leadeth to destruction” is usually found hiding behind seemingly innocuous, politically-correct terminology like diversity...religious and racial tolerance... interfaith relations... human rights ...interfaith dialogue...multiculturalism...one-worldism...social justice...religious pluralism ...inter-religious community... integration ...transformation...open borders...and many such similar terms.

This “broad way” could just as easily be referred to as the ABC Way, i.e., the “Anybody But Christ” way. So it should be abundantly obvious by now that as Christians, our holiness (i.e., set-apartness), which God commands of us, is *diluted, fractured* and eventually *destroyed* when we start caving in to worldly political correctness combined with rampant multiculturalism in which false religion is imported, protected and gradually given precedence of our own Christian religion.

The end result is the gradual demise of Christianity itself.

This is largely what's *already* happened in the once-predominately Christian western European nations, which the rabbis now gloat over and gleefully refer to as “secular, post-Christian Europe.” Indeed, the hidden Jewish/Muslim alliance continues to take the western Christian nations down the road to mass multicultural integration, so that Christianity can ultimately be neutralized *through dilution*, and the New World Order under Satan can rise in its place.

Diluted, Fragmented, Ruptured, Unholy

The bottom line is that the false Jews know the only way the world can be united into a so-called New World Order under their rule is by using the weapon of unfettered mass Muslim immigration to *dilute, fragment and then rupture Christianity* so as to diminish its influence to the point that it's no longer a viable, influential entity.

More importantly, as I've pointed out, this weapon of unfettered mass Muslim immigration, combined with forced political correctness, is being used to deprive western Christians of their "set apart" (i.e., holy) status with God. The more secular the west becomes, the less "holy" it is to God. And that lost "holiness" (i.e., set-apartness) in turn deprives Christians of God's blessings – a critical facet of the Jews' ongoing spiritual assault against western Christianity via their support and direction of mass Muslim immigration.

Instead, as the Jewish rabbis have crowed, western Christianity must be forced to give way – socially, politically and spiritually – to the very basest of what the world has to offer. In this case, that's the overt influx of radical Third World Islamic immigrants under the covert, behind-the-scenes direction of Judaic intellectuals, politicians, financiers, bankers, religious zealots and more.

This is the whole point behind the so-called New World Order. The old order (Christianity) is slated to be done away with *through forced dilution and absorption into the "new order" and its ways*. Christians are being told we must cloister our own religious beliefs from public sight so as not to "offend" others.

Our Christian crosses are removed from public places. Manger scenes are no longer allowed in public during the Christmas holidays. Prayer is taken out of the public schools. "Merry Christmas" has been replaced with "Happy Holidays." And finally, Christians are routinely admonished by the powers-that-be that we must become more secular in our approach to the world, casting aside our Christian religion as a worthless and shameful vestige of our supposedly spiritually "corrupt" and "polluted" past. Simultaneously we're admonished to grant free expression of religion for Muslim immigrants.

We also see "Islamic Studies" now being forced upon students in both European and U.S. public schools – starting in elementary schools and progressing all of the way through high school and into the colleges (see [here](#), [here](#), [here](#), [here](#), [here](#), [here](#) and [here](#)). And of course we see minarets going up on mosques in major cities throughout Europe and the U.S. from which the Muslim call to prayer can be heard sounding five times a day. (You might recall Turkey's Muslim Prime Minister Recep Ergogan saying "...*the mosques are our barracks, the minarets our bayonets, the domes our helmets, and the believers our soldiers.*")

In other words, Christians are being told to be non-religious and "join the world," while Muslims are being shipped in by the boatloads (thanks to Jewish political pressure and Jewish-inspired "open immigration" laws) and given religious predominance. It's indeed an invasion -- and a *spiritual* invasion, at that.

Christianity is being diluted, destroyed and absorbed into the world. And another religion – Islam, combined with political correctness -- is being used as the battering ram to make sure it happens at a faster and faster pace. And behind the scenes, the people of the Judaic religion *direct the entire process* with an iron hand, and savor their victory over their ancient enemy, Christianity.

New World Order: Friendship with the World

The false Jews of Revelation 2:9 and 3:9 have joined hands with Muslims in order to wage *jihad* (warfare) on Christianity, through the process of *Hijrah* (conquest through immigration).

The old order (i.e., Christianity) is gradually being destroyed in order to make way for the *new world order*. This is why our heavenly Father admonishes us, in Revelation 18:4, in regards to the Babylonian New World Order now being set in place: “...*come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*”

Or, as St. James put it in James 4:4, “*Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God.*”

While the New World Order must indeed take place, Biblically, we as faithful Christians are *not* to be a friend of this New World Order, nor its policies of political correctness resulting in spiritual and political miscegenation. Such friendship with the world is anathema to our unique and singular relationship with our Lord and Savior Jesus Christ.

The New World Order, with its ongoing fracturing and dilution of Christianity, constitutes the *purposeful reversal* by the Jews and their Muslim allies of God’s great plan of salvation for the world through Jesus Christ’s atoning act on the cross. As such, Muslim immigration represents (and is being used as) a direct broadside against the Gospel Message.

This is why St. Jude warned, in Jude 1:3, “*Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.*”

I’ve taught many times that the phrase “earnestly contend” (Strong’s G-1864) in that verse means to fight with an adversary. And when you further examine the etymology of the word, breaking it back to its original meaning, it means to fight like a champion boxer *contending against someone out to take his title*.

Well, the Jewish/Muslim alliance is out to take Christianity’s title, folks. And they’re trying to do so by sucking us into a New World Order in which our core Christian values are diluted and diminished and their politically correct values are epitomized as the new incarnation of “the way, the truth and the light.”

But we as Christians are admonished by the Word of God to come out of the world system... refuse to accept the dilution and casting aside of our beliefs that would make us a “friend” of the world...and fight like hell for our Christian faith *against* the world, if necessary.

But how does modern Christianity react? Do our Christian leaders stand up boldly as the Disciples of Christ once did to “contend for the faith once delivered unto the saints”? Unfortunately, no. They do not. For example, the Catholic Pope – head of the world’s largest Christian denomination -- is now kowtowing to the Islamic invaders as if he’s one of them:

- [Welcoming top Islamic scholars to the Vatican](#) and warmly embracing them
- [Washing the feet of Muslim immigrants](#) and telling them we’re all “children of the same God”
- [Chastising disgruntled European Christians](#) for their supposed “indifference” to Muslim migrants

- Admonishing Christians that the idea of conquest that's "inherent in the soul of Islam" is [no different than when Jesus sent His disciples to all nations.](#)
- And [promoting a new One-World Religion based on the amalgamation of religions in the name of "love."](#)

On the other hand, we have the very interesting words of political and social commentator Nathanael Kapner, a former member of the Judaic religion who converted to Christianity, and who now helps expose the Jewish role in bringing mass Muslim immigration to America for the purpose of destroying our Christian culture. He states:

"The Jews are guilty of the ruination of America. What can we do to stop them even now before the final slicing of their knives into the effecting of the circumcision of our nation?"

The only answer is for each and every American to pray for the re-emergence and renewal of a Christian America. There is no in-between.

...Let us then all make a renewed commitment to Jesus Christ and to regular Church attendance, and to the continued spread of the Gospel of Christ throughout this land. Then and only then can we be 'more than conquerors through Him who loves us.'"

Isn't that amazing? We have the leader of the world's largest Christian denomination – the Pope himself -- telling his Christian followers to just lay back and let the Muslims walk all over them, then wash their feet as Christ washed the feet of the disciples, and come together with all religions in "love" or else be considered "indifferent" and "uncaring."

And conversely we have a former Jew turned Christian commentator telling Christians that in order to stop the destruction of our Christian heritage we must stand firm in our Christian beliefs and culture and make a renewed effort to spread the Gospel of Christ.

Knowing what you now know, which one of these two Christians makes the most sense to you?

Christians Don't Give Ground, We Take Ground

Throughout his teaching career, Pastor Arnold Murray, founder of the Shepherd's Chapel, always said "*We're Christian. We don't give ground. We take ground.*" Of course, he was referring to *spiritual* ground – in other words, by spreading the Word of God and it's Gospel message in our own backyard first, and then across the world via television ministry broadcasts, we win hearts and souls to the Living Word of God, Jesus Christ.

The Word itself changes hearts and minds, bringing God's children of all races back into the eternal family household of God. And wherever two or more of those Christians gather, no matter what land they may be in, there the Lord is in their midst, and the ground is therefore *holy* – set apart – unto the Lord.

This is how Christians – Christ-men – take ground. But what we *don't* do, once spiritual ground is taken on behalf of Christ, as it has been for the past 1,000 years throughout Western Europe and later the Americas, is give it back up to the enemy. After all, the unthinkable cost is the loss of the Christian

religion, culture and faith we've worked so hard to build for the last two thousand years since Christ shed His precious blood on that cross for our sins.

Perhaps we can't blame the Muslims for taking advantage of the ongoing Jewish treachery against Christian Europe and America. But during this time of growing trial unlike any other Christianity has faced in modern times, we can indeed blame *ourselves* if we fail to do as St. Jude admonished in Jude 1:3 and "*earnestly contend for the faith which was once delivered unto the saints*".

The time is now at hand. We have to meet such treachery against our Christian culture with bold adherence to the Christian faith -- and that means **INSISTING** on the faith remaining the foundation of our culture, and not giving one inch of ground to the Muslim hoards, nor to their Jewish benefactors and the liberal purveyors of political correctness who are telling us to lie down and let the Jewish elitists and their Muslim lackeys walk all over us.

It's high time for Christians to stop compromising, stop being such wimps and start fighting back – and I'm not speaking of physical combat, but instead, standing one's ground rooted firmly in one's Christian faith and culture, refusing to cave in to political correctness that elevates other religions over the Christian religion and forces the Christian religion to be practiced solely (and sheepishly) behind closed doors.

Christians need to take St. Jude's admonition in Jude 1:3 to heart, and "earnestly content for the faith." We need to start fighting for the faith with the same spiritual fervor that St. Peter and the other disciples had after Christ's death, for example, when they were [delivered up to the Jewish Sanhedrin and threatened to stop preaching the Gospel of Jesus.](#)

And how did they respond to the Jewish religious leaders – the very *same* Jewish religious leaders who had earlier crucified Christ? Caring not one whit for their lives more than the Gospel message, they boldly told their Judaic captors to go take a flying fling at a rolling donut. As it's written:

Act 4:18 And they [i.e., Jewish religious leaders] called them, and commanded them not to speak at all nor teach in the name of Jesus.

Act 4:19 But Peter and John answered and said unto them, Whether it be right in the sight of God to hearken unto you more than unto God, judge ye.

Act 4:20 **For we cannot but speak the things which we have seen and heard.**

And that's how *real* Christians do it, folks. No compromise. No kowtowing to political correctness. Just flat-out bold *refusal* to stop preaching the Word of God in the name of Jesus Christ our Lord, even under threat of death.

God's elect are particularly responsible for holding the line against (and *reversing*, wherever possible) the fragmentation, dilution and gradual destruction of our Christian principles and our Christian faith in this great Christian nation. After all, if not God's elect, then *who*? You can't count on politicians to do it for you. They will *always* compromise with the powers-that-be, sooner-or-later, no matter what their earlier rhetoric might have been.

As in Western Europe, America today faces the complete loss of our Christian culture as well as eventual total domination by a foreign culture and religion (i.e., Islamic) that's surreptitiously being foisted upon us by another foreign culture and religion (i.e., the Judaics).

It's the duty of God's elect to help our fellow Christians understand exactly what's going on, and how truly serious the situation is. It's our Christian duty to "earnestly contend for the faith" by making sure the Word of God continues to go forth across the land, and yes, even to the world. And it's our Christian duty to follow our heavenly Father's instructions in Joel chapter two, and call on Him for deliverance, as well as to call on our fellow countrymen for national repentance and reconciliation.

Yes it's a BIG job. But you didn't think you were here simply to look pretty, did you? Surely you knew that at some point in time you'd be called to make a bold stand for the faith that's been such a blessing to you since the day you were born. Now is that time, beloved. Stand up, and be counted.

Joel Chapter 2: God's Instructions to Us

I would add here a reminder that in Joel chapter 2 our heavenly Father specifically gives instructions for what He expects us to do when our nation is overrun by a heathen population. I suggest you read *every single word* of that chapter, with understanding. But here's a short excerpt, starting with verse 12:

Joe 2:12 Therefore also now, saith the LORD, turn ye even to me with all your heart, and with fasting, and with weeping, and with mourning:

When the Lord explains what He expects of us, we need to *listen*. We need to *understand*. And we need to *do exactly what He says*. We need to humbly, contritely and whole-heartedly turn to Him for help.

Joe 2:13 And rend your heart, and not your garments, and turn unto the LORD your God: for he is gracious and merciful, slow to anger, and of great kindness, and repenteth him of the evil.

Joe 2:14 Who knoweth if he will return and repent, and leave a blessing behind him; even a meat offering and a drink offering unto the LORD your God?

Our heavenly Father says He'll reverse the trend and save us from the heathen onslaught *if* we'll simply turn back to Him with a humble heart, and ask His forgiveness for our sins which brought about this alien invasion in the first place.

The "meat offering" and "drink offering" have already been made, in the person of Jesus Christ. We exemplify these offerings every time we take communion in remembrance of our Lord and Savior. When He sees us acting in remembrance of His saving grace, it pleases Him greatly.

Joe 2:15 Blow the trumpet in Zion, sanctify a fast, call a solemn assembly:

Joe 2:16 Gather the people, sanctify the congregation, assemble the elders, gather the children, and those that suck the breasts: let the bridegroom go forth of his chamber, and the bride out of her closet.

This is called national repentance and spiritual renewal. It's exactly what this country needs. It's what those with eyes to see and ears to hear should be pushing for, relentlessly, day-in and day-out. The Gospel needs to go forth without hindrance. Political correctness be damned. Those who don't like it can *leave*, of their own accord. But we do not give up one inch of ground. Instead, we work to turn God's children back to the Lord and continue to draw people to Christ through the teaching of the Gospel message.

Joe 2:17 Let the priests, the ministers of the LORD, weep between the porch and the altar, and let them say, Spare thy people, O LORD, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, Where is their God?

This applies to *every* Christian, not just those men that have been ordained as "priests" by other men. In reality, *every* faithful Christian is a priest – a member of the many-membered body (temple) of Christ. As St. Peter wrote in I Peter 2:5, "*Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.*"

The sacrifice God wants from us is our love for Him, and our humility and gratefulness in His presence. But as Christ showed us, it's more than just mouthing pleasant words on bended knees. We need to follow the physical example of the Head Priest, Jesus Christ, and be about our Father's business at all times, spreading His Word – especially so in times such as this in which enemies from all sides are trying to squelch the Gospel message and destroy our precious Christian cultural foundation and heritage.

That means doing what needs be done, *His* way, not our own way. He doesn't leave us flying blind, or twisting in the wind. He spells out exactly what He requires of us. And it's not a burden. But it *is* what we *owe* Him for what He's done for us on that cross at Calvary. All we have to do is hear Him and obey. Bring our families back to the Lord, ask Him to spare us from the heathen onslaught, and continue to boldly promote the Gospel of Christ so He can see we're serious about our love for Him and our faith in His Word.

Joe 2:18 Then will the LORD be jealous for his land, and pity his people.

Did these verses say we need to elect a new crop of slick politicians in order turn back the Muslim tide and their Jewish handlers? Is that how we're instructed to obtain the Lord's mercy and help in such a time of great need? No. It didn't say that at all.

Instead, it said to turn to the Lord with humbled hearts, and ask Him to forgive our sins and heal our land. It said to draw the people back to Him in spiritual renewal. He'll do the rest. But we have to do *our part* first. And that requires us to simply hear His Word on the matter, and *follow* it.

Joe 2:19 Yea, the LORD will answer and say unto his people, Behold, I will send you corn, and wine, and oil, and ye shall be satisfied therewith: and I will no more make you a reproach among the heathen:

You can't get any better than that, beloved. Do what the Lord says. Man is not going to save you. The Lord will...but only *if* you'll do it His way and within His will.

It's time we finally wake up to the fact that the only thing left to do is *what He's told us to do in the first place*: Earnestly contend for the faith. Stand up for the Gospel truth, boldly and without hesitation or reservation. Make sure the Word of God continues to go forth unhindered. And implement Joel chapter two into our personal and family lives, and watch our heavenly Father go to work from there.

If enough of us do it "*who knoweth if he will return and repent, and leave a blessing behind him*" (Joel 2:14). Never forget His promise: "*If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land*" (2Ch 7:14).

That's a promise you can count on, beloved. But *you've* got to implement it, before *He's* obligated to fulfill it.
